About This Game

In this thrilling dungeon crawler RPG, regain your lost memories by navigating your way through various mazes and puzzles. The characters you meet and choices you make will determine how far you go so think quickly to how you want to proceed.

It is your quest to figure out if they are friends or foes. But be careful anyone can betray you in the *Dungeons of Betrayal*.

What makes the game unique and fun to play:

- Dark, humorous and ever-changing story-line
 - High replay value.
 - Discover secret areas
- Simple stat distribution system
- Easy weapon upgrade feature
- Unique sparing system

Even though this game is in early access, it is fun and I would like to see what else the developers are adding. There are the occasional bugs but overall this is a pretty decent game.. It's been a while since I last played this game, so I don't remember much about it. What I do remember is that I enjoyed it and want to see the full version of this. Keep up the good work!.
